ARCHIVING SOLUTION

Optimise your office technology and messaging space

// Office technology

Track the volume archived
- The archived volume is identified, per gigabyte, regardless of production volume.

// Messaging

Automatic, periodic archiving of messages in an archive database

Indexed to facilitate searching

The archive can be viewed online (when connected to the Internet)
- Unlike Outlook® data files (.pst), the online archive is accessible from any computer with internet access via Microsoft Outlook® or Outlook Web App (OWA).

Redundant and secure environment
- Your archives are stored in a special database in a redundant and secure environment.

### Worry-free archiving

Optimisation of your storage

€↓ Cost reduction

Volume tracking

Secure archiving
